Ανακοίνωση ψηφίσματος Say YES to Castration of Strays on Chios

Από: Chantal Scheiberlich **από:** Vlissingen **προς:** Mr. G. Christakis, deputy mayor **σε:** Ελλάδα.

On Chios many cats and dogs live on the streets. They face hunger, poisoning, abuse, traffic accidents, heat, thirst, cold and health issues. Every year every dog and cat can have multiple pregnancies, giving birth to an average of 4 kittens or puppies but 10 to 15 are no exceptions. Vets are willing to voluntarily castrate strays in Chios at regular intervals to end this suffering.
