Hävitatud avaldus Concerned PSD Community Members - Staff Expression, Principal/Teacher Rotations, and Loss of Trust

Alates: Minter Creek Elementary PTA , Gig Harbor, WA **kuni:** Krestin Bahr , Gig Harbor.

This petition was created by concerned PSD community members to express concern with new policies and strategies implemented by the current district administration. We, the Peninsula School District community, are expressing our deep concern and disappointment in the district administration regarding the recent changes and concerns including, but not limited to:- the strategy to regularly rotate teachers and principals without prior communication, transparency, or opportunity for parent/staff involvement- the negative effects of Staff Expression Policy 5254- the lack of community trust and district transparency- the disconnect between the community and the district administration- the removal/reduction of vital programs at multiple schools
