

Afrivningseddel-petition Demand the NC Department of Health address the dangerous work conditions at FCI Butner, NC

af : Suzanne Monk **Fra:** Washington, DC **til:** North Carolina Department of Health **i:** Granville County.

We, the undersigned North Carolina residents, demand that the North Carolina Health Department conduct a thorough inspection of the federal detention facility FCI Butner in Butner, NC, to determine if NC residents working at this facility are being endangered by the deteriorating and dilapidated conditions that include black mold, brown water, foundation leakage, ceiling crumbling and recently collapsing, causing large sections of ductwork to crash to the floor. These conditions are a danger to the residents of NC who work there, and a danger to their families. The North Carolina Department of Health must assert it's authority to ensure the safety of North Carolina residents and demand that the Bureau of Prisons either rectify these dangerous...
