Nuo: Save El Rancho Campaign , Evergreen, Colorado **iki:** QuikTrip , Denver.

To our Evergreen neighbors: The owners of the ca. 1948 El Rancho Colorado restaurant building, 1948 Holdings LLC, have sent a pre-application to Jefferson County proposing to demolish or move the building and, combined with the former First Bank property, build a 4-acre QuikTrip interstate service center with a 20-bay gas station, 10 diesel pumps for semi trucks, and a convenience store occupying the vacated footprint of the erstwhile restaurant. See QuikTrip's proposed facility: <https://tinyurl.com/bdebcvrr> What is proposed would be the largest fueling center of any kind on the Front Range, more than four and a half times the average size of a "gas station" in the Foothills: <https://tinyurl.com/3re9szt2> It is aimed squarely at I-70 travelers...
