

Petition placard Reduce Tier B Baseball Rental Fees for non profit baseball organizations.

By: Salt Lake City Youth Baseball **from:** Salt Lake City **to:** Mayor of Salt Lake City, Utah Erin Mendenhall **in:** Salt Lake City.

Tier B baseball field rental rates have gone from \$2 per hour in 2015 to \$17 in 2024. These fees are creating a burden on all Salt Lake City Recreational Baseball organizations. Field rental fees are creating conditions where we must raise our fees thus putting youth baseball out of reach for a lot of families in our communities
