Good Morning Families, The Unified School District of Antigo has noticed more students being distracted by cell phones and other devices during critical learning time. As we continue to focus on high quality education we want you to be aware of our new cell phone/ Personal Communication Device (PCD) plan/expectations starting on April 1, 2024. Starting on April 1, all students will be expected to be cell phone, smartwatch, earbuds, or other personal communication device free from 7:45 am (start of the day) until 3:03 pm (end of the day) If your child is seen with their phone, wireless earbuds, smartwatch, or other personal communication devices on them at any point throughout the day these steps will be implemented: Step 1: Warning....
