Petycja Ulotkowa (???) We need our CO-3 Representative to hold a town hall this summer

Od: Roaring Fork Valley 350.org , Glenwood Springs **do:** The congressman , Garfield County.

The people of the western slope in Colorado request their state representative to the Congress to appear at a Town Hall this summer. We will find a location where we can ask respectfully what Jeffrey Hurd's plans are to protect our lands, peoples and communities at the House of Representatives
