Tier B baseball field rental rates have gone **from \$2 per hour in 2015 to \$17 in 2024.**

These fees are creating a burden on all Salt Lake City Recreational Baseball organizations.

Field rental fees are creating conditions where we must raise our fees thus putting youth baseball out of reach for a lot of families in our communities

The current fees of \$17 per hour is going to cause fee increases within our organizations that will put the cost of recreational baseball out of reach for a lot of families.
